## PARAMEDIC HELMET

CERTIFICATION  
PARAMEDIC EN443:2008,  
NFPA 1951:2013

**Reinforced Kevlar® composite shell** provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

**Easi-On-Off (EOB) torch base.** Easi Glide Torch Holder and torch sold separately.

**Unique full cranium polyurethane liner** provides an excellent thermal barrier and superior shock impact absorption.

**3-point chin strap.** Single handed adjustment at multiple locations for maximum comfort and stability.

**Pacific quick release buckle** can be easily secured, released, and adjusted with a gloved hand.

**6-point ribbon cradle harness,** fully modular for easy cleaning and replacement.

**Pacific edge beading** provides extra shell durability.

**Polycarbonate eye protector** (optional) provides high speed particle impact protection, with heat and flame resistance. Anti-scratch and optically correct with full eye cover for excellent splash protection.

**Pacific ratchet adjustable headband,** sizing range from 52–64cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

### Other Optional accessories available:

- **Clear polycarbonate face shield** for full face protection
- **Flame Resistant Neck Protector** (water proof or padded variations available)
- **Premium reflective trim** with high retro-reflectivity for increased visibility
- **Customised Decals** (badges, wording, and rank markings) are available by request.
