PACIFIC BR9SCCV

WILDLAND FIREFIGHTING HELMET

CERTIFICATION
AS/NZS1801:1997

Reinforced Kevlar® composite shell or Fibreglass composite shell provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

Premium reflective trim with high retro-reflectivity for increased visibility.

Goggle posts to secure twin strap goggles (optional)

Earmuff brackets (optional) available for 25mm and 30mm earmuff fittings.

Unique PU cap provides excellent shock impact absorption and a thermal barrier.

3-point chin strap. Single handed adjustment at multiple locations for maximum comfort and stability.

6-point clip in ribbon cradle harness, fully modular for easy decontamination and replacement without special tools.

Pacific Quick Release Buckle can be easily secured, released, and adjusted with a gloved hand.

Easi-On-Off (EOB) bases for torch (optional). Easi Glide Torch Holder and torch sold separately

Clip on clear polycarbonate face shield (optional) provides high speed particle impact protection, with heat and flame resistance. Optically correct with full face cover for excellent splash protection.

Polycarbonate eye protector (optional) provides high speed particle impact protection, with heat and flame resistance. Anti-scratch and optically correct with full eye cover for excellent splash protection.

Pacific ratchet adjustable headband, sizing range from 52-64cm (downsizing kits and XL sizes available). Simple operation with a single gloved hand. Comes with front and rear padding in your choice of leather or merino and is easily removable and replaceable for decontamination.

Customised Decals (badges, wording, and rank markings) are available by request

Flame Resistant Neck Protector.
