Reinforced Kevlar® composite shell provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

Rails (optional) for attaching multiple accessories. Earmuff Brackets also available. Note: rails and earmuff brackets not compatible.

Pacific ratchet adjustable headband, sizing range from 52–64cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

4-point chin strap. Single handed adjustment at multiple locations for maximum comfort and stability. Chin cup or chin loop optional.

Pacific edge beading provides extra shell durability.

Unique PU cap provides excellent shock impact absorption and a thermal barrier.

VAS Shroud for attaching accessories (optional).

Pacific low profile buckle can be easily secured, released, and adjusted with a gloved hand.

6-point clip in ribbon cradle harness, fully modular for easy decontamination and replacement without special tools.

Other Optional accessories available:

- **Premium reflective trim** with high retro-reflectivity for increased visibility
- **Customised Decals** (badges, wording, and rank markings)
- **Water Release Holes**
- **Pacific front lamp bungy**. Note: VAS shroud and bungee not compatible
- **Goggle Straps** or **Goggle Posts**
- **Easi-On-Off (EOB) torch base**. Easi Glide Torch Holder and torch sold separately
- **Flame Resistant Neck Protector**
- **Clear polycarbonate face shield** or **eye protector** to provide high speed particle impact protection.
