## WILDLAND FIREFIGHTING HELMET

CERTIFICATION

**AS/NZS 1801:1997 TYPE 3**

ANSI Z89.1:2014, EN 397:2012, NFPA 1977:2016

## BR9 OVERVIEW

1. **Easi On-Off Base** for mounting either a UK3AA, Adaro Adalit L5 torch (requires torch clip) or external face shield (optional).
2. **Unique full cranium polyurethane liner** provides an excellent thermal barrier and superior shock impact absorption.
3. **3-point Polyester Chin Strap.** Single handed adjustment at multiple locations for maximum comfort and stability.
4. **Pacific Quick Release Buckle** can be easily secured, released, and adjusted with a gloved hand.
5. **Goggle Attachments** Choose from Goggle Posts, Rear Rubber Straps, or Rear Polyester Straps.
6. **DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell** is 20% lighter than thermo plastic equivalent. Shell provides integral strength, excellent penetration protection, chemical resistant, UV resistant and heat resistant, expected service life of 15 years with proper care and maintenance.
7. **6-point ribbon suspension system with optional padded air mesh** distributes helmet weight evenly for added comfort over prolonged use, provides good ventilation, and a secure fit culminating in high stability on head. Fully modular for easy decontamination and replacement without special tools.
8. **Pacific ratchet adjustable headband,** sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear leather padding. Headband and nape band can be height adjusted to suit you.
9. **Rear Hanger**  
Allows the helmet to be stored on a hook when not in use (optional).
10. **Clip on clear polycarbonate face shield** provides high speed particle impact protection, with heat and flame resistance. Optically correct with full face cover for excellent splash protection.

*Design is subject to change without notice as per Pacific Helmet's policy for continuous development and improvement. Certification is dependent on configuration.*

### Optional Features

9. **Rear Hanger**  
Allows the helmet to be stored on a hook when not in use (optional).
