PACIFIC A3/R3v4

STRUCTURAL FIREFIGHTING, USAR,
RESCUE, AND RECOVERY HELMET

CERTIFICATION
NFPA 1971:2018, NFPA 1951:2020,
ANSI Z89.1:2014

Unique full cranium polyurethane liner provides an excellent thermal barrier and superior shock impact absorption.

Goggle Posts for securing twin strap ESS Goggles.

Flame Resistant Neck Protector in Nomex® (waterproof or padded variations available).

Other Optional accessories available:

- Easi On-Off Base (EOB) for torch
- Face Shield

6-point ribbon cradle harness, fully modular for easy cleaning and replacement.

Premium reflective trim with high retro-reflectivity for increased visibility. Customised Decals (badges, wording, rank markings) are available by request.

Eye Protection. Choose between ESS Goggles (pictured) or the internal One Touch Eye Protector (OTEP).

3-point Nomex® chin strap. Single handed adjustment at multiple locations for maximum comfort and stability.

Pacific quick release buckle can be easily secured, released, and adjusted with a gloved hand.

Pacific ratchet adjustable headband, sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in leather and is easily removable and replaceable for decontamination. Headband wearing height and angle are adjustable for personal preference.
