PACIFIC A10 MkV

PARAMEDIC HELMET

CERTIFICATION
NFPA 1951:2013

DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

Clear polycarbonate face shield provides high speed particle impact protection, with heat and flame resistance. Anti-scratch and anti-fog, optically correct, with full face cover for excellent splash protection.

Easi On-Off Base (EOB) for torch. Easi Glide Torch Holder and torch sold separately.

3-point chin strap. Single handed adjustment at multiple locations for maximum comfort and stability.

Pacific quick release buckle can be easily secured, released, and adjusted with a gloved hand.

Pacific edge beading provides extra shell durability.

Unique full cranium polyurethane liner provides an excellent thermal barrier and superior shock impact absorption.

Premium reflective trim (optional) with high retro-reflectivity for increased visibility. Customised badges, wording, and rank markings are also available.

Pacific ratchet adjustable headband, sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in vinyl and is easily removable and replaceable for decontamination.

6-point ribbon cradle harness, fully modular for easy cleaning and replacement.

Other Optional accessories available:

- **Clear polycarbonate eye protector**
- **Flame Resistant Neck Protector** (water proof or padded variations available)
