**DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell** provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance

**Premium reflective trim** (optional, standard dependent) with high retro-reflectivity for increased visibility.

**Earmuff brackets** (optional) available for European and USA earmuff fittings.

**Pacific Face Shield Cover** (optional). Enables retrofitting of clear polycarbonate face shield to provide high speed particle impact protection.

**3-point chin strap.** Single handed adjustment at multiple locations for maximum comfort and stability.

**6-point clip in ribbon cradle harness,** fully modular for easy decontamination and replacement without special tools.

**Pacific Quick Release Buckle** can be easily secured, released, and adjusted with a gloved hand.

**Easi On-Off Base (EOB) for torch** (optional). Easi Glide Torch Holder and torch sold separately

**Unique PU cap** provides excellent shock impact absorption and a thermal barrier.

**Pacific front lamp bungy** (optional).

**Pacific ratchet adjustable headband,** sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

**Other Optional accessories available:**

- **Customised Decals** (badges, wording, and rank markings) are available by request
- **Goggle posts,** goggle straps to secure goggles
- **Water Release Holes** available
- **Flame Resistant Neck Protector** (water proof or padded variations available).
