**DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell** provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

**Rails** (optional) for attaching multiple accessories. Earmuff Brackets also available. Note: rails and earmuff brackets not compatible.

**Pacific edge beading** provides extra shell durability.

**Pacific ratchet adjustable headband**, sizing range from 52–65cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

**4-point chin strap**. Single handed adjustment at multiple locations for maximum comfort and stability. Chin cup or chin loop optional.

**Pacific low profile buckle** can be easily secured, released, and adjusted with a gloved hand.

**Unique PU cap** provides excellent shock impact absorption and a thermal barrier.

**VAS Shroud** for attaching accessories (optional).

**6-point clip in ribbon cradle harness**, fully modular for easy decontamination and replacement without special tools.

**Other Optional accessories available:**

- **Premium reflective trim** with high retro-reflectivity for increased visibility
- **Customised Decals** (badges, wording, and rank markings)
- **Lamp attachments:** 4pt Front Bungy or Front Rubber Straps. *Note: incompatible with VAS shroud.*
- **Goggle Straps** or **Goggle Posts**
- **Easi-On-Off (EOB) torch base.** Easi Glide Torch Holder and torch sold separately
- **Water Release Holes**
- **Flame Resistant Neck Protector**
- **Clear polycarbonate face shield or eye protector** to provide high speed particle impact protection. *Note: incompatible with Rails.*
- **Earmuff Brackets** for 25mm or 30mm earmuff fittings. *Note: incompatible with Rails.*
